General Education Transfer Guide for CT State Community College
2023-2024: Neag School of Education - Comprehensive Special Education

This guide provides a list of recommended CT State Community College courses that will transfer to fulfill Neag School of Education general education requirements. (Note that not all courses on this list are offered at every campus.) Please visit https://teachered.education.uconn.edu/ibm-guidelines to view program guidelines and sequence of courses.

I. Competencies

As part of the University General Education Requirements, students need to demonstrate competency in four fundamental areas: information literacy, quantitative skills, second language proficiency and writing, along with environmental literacy.

Environmental Literacy Competency

Students must pass at least one course of at least three credits in Environmental Literacy. Environmental Literacy courses are designated for this purpose as E courses.
